

FAQs

Behind the Studio Door

Waitaki | North Otago

The aim is to help you have fun, gain confidence and learn something from a local working artist. Nothing serious or pretentious.

Do I need previous Art Experience?

Not at all. All you need is a curious mind. The workshop segment is run in a friendly, non-judgmental environment, where you are encouraged to relax & play. If you learn something & gain confidence - that's a bonus.

If you do have previous art experience, you may find the workshop valuable to try a new medium - oil & cold-wax. A bit of theory is covered - but nothing overwhelming.

All materials and supplies are provided. It's about having fun.

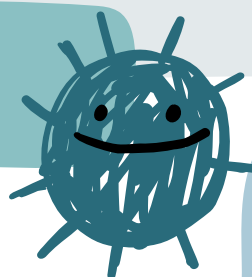

What if I can't draw ?

That probably makes 2 of us.
For abstract art - you don't need to.

What should I wear ?

Comfy clothing & shoes.
Aprons will be provided for the workshop.
Please bring layers suited for weather for the walking and/or afternoon tour.

Is transport included?

Yes, for the full-day experience transport in a comfortable vehicle (max 3) - so a personable & flexible afternoon is on offer. The half-day experience offers a guided walking tour only along with studio time.

Can dietary requirements be accommodated

Main meals ie lunch or dinner will be provided by a local cafe or restaurant where most common dietary requirements are met (your cost).

Morning & afternoon tea refreshments are usually cold drinks with fruit & a sweet treat (included)

As we look after a very small group, we will always do our best to take you to eating venues that meet your needs. However, if your dietary needs are very strict/specific, we suggest you bring along your own food. Always happy to talk.

What happens if the weather is poor?

If it's too cold or rainy that the outdoor activities would be uncomfortable - we can cancel. However, we can always do the studio & workshop parts, regardless of weather. So a conversation with you would be the decider.

However - if it is so miserable no-one would enjoy themselves outside - we will advise you on the day, or day prior. A full refund or swap to another day will be offered.
