Studio Visit & Artist Conversation

Begin with a relaxed welcome in Beth's working studio. Explore current artworks, sketchbooks, materials and works in progress while learning about the realities of life as a professional artist. This is your opportunity to ask anything you've ever wanted to know about creativity, inspiration, exhibitions, pricing artwork, developing an artistic career, or simply how ideas become finished works.

Guided Creative Workshop

Enjoy a hands-on art session designed for all levels of experience. For complete beginners to more experienced creatives, you'll be guided through a process that encourages experimentation, personal expression and enjoyment. The Abstract option means you'll leave with an original artwork ready to be framed.

Options for Workshops include: Abstract, Colour Theory or Materials for Your Art

Discover Local

Take a short guided walk through Oamaru's arts precinct, exploring local galleries, creative spaces & artists, heritage architecture and the unique artistic culture that makes the region so special.

Tour Kakanui & Waitaki Valley

From Ocean to Alps - you'll be driven on local roads to Kakanui Beach & through the Waitaki Valley.

There is plenty of flexibility in this part of the trip with time for random photo stops. In season, we can include stops at local wineries, a visit to local arts school in Kurow, or time for sketching.
